ABOUT OPPEIN

Founded in 1994, OPPEIN is China’s No.1 kitchen and customized home décor brand, and the world's largest cabinetry manufacturer. We design and manufacture high-quality kitchens, wardrobes, bespoke home furniture, bathroom products, interior doors, aluminum windows & doors and home furnishing, capable of offering one-stop home décor products and solutions. Output and sales of kitchen cabinet reached 830 thousand sets, ranking No.1 in the kitchen industry.

In 2021, OPPEIN's sales turnover reached USD 3.14 billion, havrvesting its consecutive 28th years of growth. Output and sales of cabinets reached 6 million sets, ranking No.1 in the cabinetry industry. Our products have been exported to 118 countries and regions, and the total market value of OPPEIN exceeded 100 billion yuan (USD 15.3 billion) in March 2021.

In overseas markets, what sets us apart from our competitors is our Italy design, European quality, one-stop whole-house products & solutions, and reliable local services.

OPPEIN takes great pride in its extensive franchise distribution system. We have a productive showroom operation model and thoughtful support policies to help the franchisees win. Currently, we have a remarkable number of over 7,200 franchise showrooms worldwide to serve local retail businesses.

The global project business is another importance we attach to. We cooperate closely with builders, developers, contractors, and architects to develop different types of residential and commercial business; up to now, we have completed over 10,000 real estate projects around the globe, including some significant local landmark projects.

We achieve this through our unceasing striving for perfection, and the passion to satisfy an individual’s needs for better home décor. Our vision is to make OPPEIN a modern, innovative company respected and loved by the people, held in the highest esteem in China, and emulated around the world.

Where there is home and love, there OPPEIN is.

MAGIC Q IV

Magic Q IV is designed based on the needs of young generation, post-90s generation in particular. More creative and practical functions are added to it for the sake of comfort and convenience, epitomizing the spirit of pragmatism.

Both its social functions and visual appeals are fully developed in this kitchen.

It can be adapted for any forms of gatherings and social activities, catering to a new living style among young people.

SHAKER DOOR

GLUCK

Our relentless pursuit of modernism and minimalism in design, is a tribute to Gluck's attitude towards his music. That is to stay true and simple.

Golden oak grain coupled with matte plain stone texture, creates a warm look for the house, add a touch of sophistication and elegance. The company of a good kitchen can restore your mind to tranquility and sedateness.

BRESSANON

LIGHT & SHADOW

Feel the coolness of midnight gray. OPPEIN Kitchen - Shades features a blend of light and shade to provide an elegant texture.

Under cabinet lightings provide adequate illumination and a sense of luxury. Matte finishes and golden handles contribute to the elegant appearance of the cabinet. In addition, the removable sliding shelves are perfect for storing sauces, keeping them within easy reach when cooking.

TURANDOT

Moma

With the state-of-the-art 45° edge-cutting craftsmanship, this handleless kitchen reflects a minimalist lifestyle. The high ribbed glass fronts bring not only a touch to the space, but also showcase the contents elegantly. On the right, the electrical appliances are hidden behind the walnut fronts concisely. Equipped with Australia-made Eclipse sliding door system and when pulled out, the walnut sliding doors can be concealed and discreetly integrated into the wall.

NICAEA

People who live in the teeming city now tend to seek a simpler and happier life, clinging to "Back to nature, back to origin" living philosophy. Nicaea is the type of kitchen that every family desires. The antique and delicate solid wood leads you closer to nature, bringing you back to the old times, and casting an air of gentility and elegance to your house.

SWAN LAKE

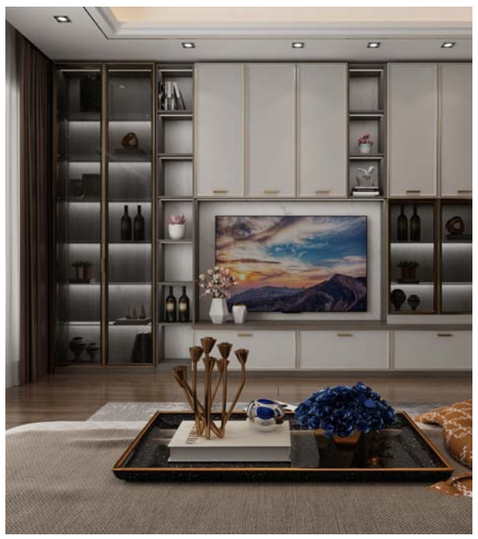
The design idea is drawn from Swan Lake by Tschaikovsky. As a ballerina in white dress, with her black veil, enters a moonlit clearing in the forest, there she dances and rises like a magnificent swan in flight.

MODERN TIMES

Super high UV door panel combined with aluminum frame glass door, creates a high-end atmosphere.

POST-MINIMALISM

The powder spraying lacquer process is used to create a sand texture,
and the built-in metal handle is used to show the modern entry luxury style.



CHRIS

Chris series is born for the simple and fashionable style of custom furniture. Considerring the fashionable consumers, the design uses simple narrow frame and ink & sand texture materials to create a simple yet fashionable style.

GLIMMER

Glimmer selects elegant neutral colors, keeps up with fashion trends, decorates with metal elements, natural and extreme, clean geometric shapes, simple and elegant!

home furnishing products.

Kitchen

Kitchen space: Reasonable design makes the whole cooking process becomes simple and efficient relaxed. The classic tone of black, white and gray with neutral wood timber color makes calm.

Entrance

Entrance area is not only a shoes cabinet, It's also showcase area, dressing area, storage cabinet and so on. Get ready for work, put your jackets on and off, come home and welcome gusts. There's always something going on here.

Living Room

The living room is dominated by gray, timber, green color and cold metal color to create a modern style. The black metal and the transparent glass with green, natural wood timber color of the TV cabinets , shows amazing mix and match glamour.

Wardrobe

The attractive visually transparent walk in closet is adopted to make the entire space swell, preventing the small and shrinking area. The glass door are used for folding, changing quilts, storage and other items, etc.

Bedroom

The concise space uses a small amount of warm wood grain to make it warmer, more peaceful and quiet ambience. The neat wood grain color and white expand the spaciousness of the room; the custom-made double bed strengthens the continuity of the space, promoting a unified coordination, also has more storage space.

Bathroom

The wall-mounted bathroom cabinet can not only effectively isolate the moisture on the ground, but also make it easier to clean. It is more convenient to take items with the pull-out drawer; the dark wood texture is well decorated.
